

The Respite home is fully furnished, stocked with hygienic supplies and basic necessities for personal use.

Special features of the home include:

- Fenced in front yard with street level entrance, fully accessible, with available parking nearby
- One fully furnished bedroom, complete with bedding supplies
- Fully furnished living room with a hide-a-bed, T.V., and DVD player
- Full-sized kitchen, completely stocked with dishes
- Wheelchair accessible bathroom, complete with safety handrails, stocked with hand and bath towels
- Completely stocked with cleaning supplies, including vacuum cleaner, and washer and dryer

The respite home is available to families and caregivers in the West Kootenay region.

The suite provides families and caregivers with another option when it comes to meeting their respite needs.

Below are some examples of how the home may assist you:

- Your family member wants to spend some time away from home with a respite provider
- You want to get away for a weekend break and have your respite provider come into your home-*book the respite home as a getaway*
- You have an out of town appointment for you or your family member
- The suite provides a safe place to practice independent living skills
