Dear Home Share Providers:

Please join us on November 4, 2010 for a day of planning and support for the home share program at Community Connections Support Services. This is an opportunity for all home share providers in the West Kootenays to get together, learn from each other and provide valuable feedback to the home share coordination team about how the service is progressing since it began in June of this year.

We will be facilitating a café style process to talk about successes, challenges and concerns. It should be a great day of networking and support of caregivers in the West Kootenays and we look forward to seeing you there. the focus will be on sharing information and learning from each other.

We are meeting at the Super 8 Hotel in Castlegar from 9 AM until 4 PM. Lunch is provided and spouses of home share providers are welcome as well. We ask that you RSVP as soon as possible to let us know that you are joining us.

We look forward to seeing you on the 4th of November!

Your home share coordination team,
Ken, Leola and Shannon
