

# Positive Behaviour Support for individuals with **Down Syndrome**

Participants will explore the main reasons behind challenging behaviour and then learn strategies to facilitate positive interactions and participation, including proactive communication strategies and Positive Behaviour Support (PBS) strategies. Whether you are a parent, teacher, CEA, coach, babysitter, or therapist of a child, teenager, or adult, you won't want to miss this!

## **Presenter: Jillian Baldwin, M.Sc. RSLP** **Down Syndrome Resource Foundation**

*Jillian has been a part of the DSRF team since 2014. She completed her Bachelor of Arts degree in Psychology at the University of Saskatchewan prior to her Master's degree in Speech-Language Pathology at UBC. At DSRF in Burnaby, Jillian delivered individual speech, language, social communication, and feeding therapy to children, teens, and young adults. She also taught the social communication portion of a course for young adults, the Language Express component of summer camp, and provided numerous presentations and workshops for families and educators. Jillian is now bringing the energetic and quality service of DSRF to families around the Okanagan.*
