

# SAVE THE DATE!

## East and West Kootenays Adult Community Training

### Functional Communication

**October 13, 2021**

9:00 am-12:00 pm PDT (Online)

This presentation will provide important information on how to support individuals who struggle with communication, paying specific attention to:

- Decreasing challenging behaviour
- Increasing quality of life
- Tips and tricks for successful communication
- Common barriers to communication
- Types of alternative communication (AAC)

### Behavioural Support Plan Management

**November 10, 2021**

9:00 am-12:00 pm PDT (Online)

This presentation will review ways to support behavioural programming. The components of a behaviour support plan (BSP) and the concept of a “living,” “breathing” document will be reviewed in terms of:

- Choosing effective behavioural strategies
- Evaluating behavioural strategies
- Maintaining programming
- Amending the BSP

### Strategies to Promote the Independence of Life Skills

**December 1, 2021**

9:00 am-12:00 pm PDT (Online)

This presentation will explore independent life skills, with respect to:

- Reasons for promoting autonomy and the long-term effects of facilitating life skill independence
- Tailoring life skills to meet the needs of individuals with varied capabilities
- Utilizing effective strategies to promote the independence of life skills
