

Notice of Accreditation and Livestreaming

An accreditation site survey will be taking place on the following dates: **September 28 to 30, 2022**

Please be advised:

During the above time period, the building interior/facilities/premises may be subject to a livestreaming process for the purpose of accreditation. Images and audio of staff, clients, family members, and bystanders maybe seen and heard during the livestreaming. **Livestreaming is not recorded or stored but may be transmitted outside of Canada.**

If you do not want to be seen and heard when livestreaming is taking place, please take one of the following actions:

- Avoid the premises during the accreditation site survey
- Contact the organization's management about "safe" times to access the premises during the site survey
- Contact the organization's management for "safe" locations on premises during the site survey

If you do not take one of the above actions, your consent is implied.

BC's Freedom of Information and Protection of Privacy Act (FIPPA) applies to the livestreaming. FIPPA S26 applies to the collection of images and audio during the livestreaming. FIPPA S32 applies to the use of livestreaming for the accreditation purpose. If you have any questions about your privacy or livestreaming, please contact either:
